10th October 2022

Dear Parent/Carer

Your child has the opportunity to take part in a school visit to “**Science Live!**” at the Dominion Theatre, London on **Friday 3rd March 2023**. This visit is aimed at students planning to continue their studies in Science after their time with us at Harrow Way.

You can find out more about this exciting event via [this link](#).

Further details:

50 students and 3 accompanying staff will travel by coach, departing from Harrow Way at 8:30am and returning to school at 5:00pm, when students must be collected by a parent or carer.

To cover costs, a charge of **£30** per student would need to be made. We would therefore ask for this amount to be paid via Scopay, our online payment facility, to enable the visit to take place.

Please note that places on this visit are limited to 50 students.

Students must wear school uniform so they are easily identifiable at the venue.

They must bring a packed lunch with sufficient non-fizzy drink, plus snacks as required. **NO GLASS BOTTLES ARE PERMITTED.**

They should also bring a mobile phone if they have one, to enable them to contact parents with an accurate arrival time during the homeward journey.

The full terms and conditions of school off-site visits at Harrow Way Community School can be viewed on the [VLE](#).

We use the contact and medical information on our school database for off-site visits. If your child's regular details have changed, or if you will be contactable on a different number from usual on the day of the visit, please update the school as soon as possible.

Yours sincerely

Mrs Janie Burden
Science Teacher
