Dear Parent/Carer

## Pre-Public Examination (PPE) Weeks

I wanted to send a reminder that the PP examinations for Year 11 students are scheduled to begin next week **from Monday 6<sup>th</sup> – Friday 10<sup>th</sup> February, then Monday 20<sup>th</sup> – Friday 24<sup>th</sup> February**. Below is a copy of the **PPE Timetable**. There is also a copy of the timetable on the VLE and our exams noticeboard in school for student reference.

We need to take the PPEs very seriously. These exams, as well as learning the routines and expectations surrounding public examinations, can also give students and their teachers some valuable information about current levels of performance, strengths and those areas that still need to develop in order for students to fulfil their potential in the summer. Students benefit enormously from this experience.

During the PPE weeks, we are suspending our Revision programme. There is no doubt that students who attend after school revision are in a stronger position and better prepared for these exams. Nevertheless, we need to balance the demands of completing exams with student well-being. Taking time to rest each evening is important, however, we would suggest some *light* revision, no more than an hour, to ensure students are well prepared and confident about the exam the following day. Naturally, the Revision programme will re-commence following the PPEs, on Monday 27<sup>th</sup> February 2023.

Our next reports will contain predicted grades for the summer based on the PPEs and you will of course have the opportunity to discuss your son or daughter's progress with their subject teacher at our Year 11 Parents evening on Thursday 30<sup>th</sup> March 2023. If you have any concerns in the meantime, please do not hesitate to contact their class teacher or indeed their tutor who will be happy to help.

Yours faithfully  
Mrs D L German

Deputy Headteacher
